Communication News

- Please keep in your thoughts and prayers Margo Storey and her family as they mourn the death of a dear friend, Ray Mercer.
- **As Provincial Covid restrictions begin to loosen.** . . . a group of CFRUC's key volunteers is actively considering what strategies and protocols will need to be in place before we can re-open our doors and resume in-person activities. We are in the process of developing a plan which will cover small group activities, Sunday services, and eventually larger group rentals, and establish criteria for recalling staff. We will always follow provincial recommendations as well as the needs of our congregation and renters. An initial plan will be brought to the regular meeting of the Leadership Team on May 20 for discussion. We are carefully considering every aspect of keeping everyone safe and will update you as soon as we have any change of plans. ~ Linda Thorlakson, Acting Chair, Leadership Team
