Pop up art show on the lawn

Saturday August 22

The pop up art show will take place from 1:00 to 4:00 pm {weather permitting}. Sorry to all those who made it out last week - we had to cancel as there was a credible threat of rain. Artists include: Gail, Sandi and Marlene, as well as Charlie Rae Walker. She brings a young and fresh look to the display.

Additionally, the Textile and Fibre Artists in Manitoba have a small exhibit that their members just created - it is called COVID - Capturing Our Visions of Isolation Daily. There are 20 pieces in the exhibit, each measuring 8 1/2 x 11 inches and they will join us.

George Bajer-Koulack will be playing Flamenco guitar between 1:00 and 2:30 pm.

Living Long and Staying Strong

ZOOM Meeting

Thursday August 27 10:00 – 11:00 am

People are living longer than ever and, for the first time in history, there are now more older adults in Canada than children. How can people stay as healthy as possible for as long as possible? And how can we make communities more age-friendly so that people can stay healthy? Verena Menec, PhD will address these questions (via ZOOM). Verena is a Professor in the Department of Community Health Sciences at the University of Manitoba. Her research focuses on factors related to healthy aging, and how to make communities more age-friendly.
